

Did you buy your groceries at the shuk  
but forgot how to take *ma'aserot*?

Do you have a vegetable garden but never  
learned the laws of *kila'im*?

Not sure when exactly the *orlah* years are up for  
the tree you planted in the backyard?

The Institute for Torah and the Land of Israel

# Practical halacha workshops about Israel's special mitzvot are now available in English!

Topics include: *orlah*, *kila'im*, *teruma* and  
*ma'aser*, bugs in leafy vegetables, and more.

Workshops accompanied by a  
visual presentation

To book workshops and for additional information, contact:  
Rabbi Moshe Bloom, Head of the English Department at the Torah  
VeHa'aretz Institute, The Institute for Torah and the Land of Israel
